To Whom It May Concern:

It has been my pleasure to know and work with Gary Lewis since 2005. He has been responsible for helping to secure high profile talent for several trips to visit our troops in the Middle East, Far East and Cuba. These trips have included such celebrities as Charles Barkley, Dennis Haysbert, Drew Brees, Robert Patrick and others. One tour was with the Chairman of the Joint Chiefs of Staff, Admiral Michael Mullen.

Gary's personal relationship with his celebrity friends contributed to the success of the tours by helping us to bring a touch of home to our service members. I will continue to work with Gary as he shares our commitment to reminding troops and their families that the USO supports them wherever they serve. Please feel free to contact me at 703-908-6427 should you have any questions.

Sincerely,

Rachel M. Tischler
